

Information Update Forms!!

QuoteRUSH now creates **pre-filled forms** for your clients to review!
Now that just makes sense!

With our Information Update Links in QuoteRUSH Web, you can send a client a link to review their currently stored information and make corrections. All it requires is one of our FREE Customizable Webforms!

THE MONTHLY STATISTIC:

NOTHING CRAZY, JUST A COOL NUMBER!

Underwriting hits in the last 90 days:

1,519,042!

What does this mean? If a violation was hit for a carrier, a zero quote gets made with the reason in the description. The site is never opened and quote is never submitted to the carrier, improving the Agency's quote-to-bind ratio.
